Terms of Quotation and Sale - Goods & Services

These Terms govern Emerson's quotation and any resulting Contract for Emerson to supply Goods, Documentation, Software and Services. Emerson's acceptance of Customer's PO is exclusively subject to these Terms.

1. Quotation & Contract

1.1 Emerson's quotation is valid for acceptance for 30 Days after its date unless Emerson has stated a different period or withdraws it earlier.

1.2 The PO must be in writing and has no effect until Acknowledgement. Emerson is not obliged to accept any PO.

1.3 If there are any conflicts, discrepancies or ambiguities, the following order of priority applies: (1) the Acknowledgment, (2) these Terms, (3) the PO and (4) Emerson's quotation. Clauses 5 and 16 of these Terms take priority over the rest of these Terms.

1.4 All communications about the Contract must be in English and state the Customer PO number and Emerson order number.

2. Customer Responsibilities

2.1 Customer must in a timely manner supply the information, documents and instructions Emerson reasonably needs to proceed with its Contract duties.

2.2 Customer is responsible for the accuracy and completeness of all information it supplies.

2.3 If Emerson performs Services at Site, Customer will not ask Emerson or Emerson Personnel to enter any agreement which imposes, waives, releases, indemnifies or otherwise limits or expands any rights or obligations in respect of Emerson or Emerson Personnel. Any such agreement is void.

2.4 If the acts or omissions of Customer, Customer Personnel or Customer's other contractors delay or prevent Emerson from performing a Contract duty or increase Emerson's costs, time will be extended and Customer will compensate Emerson accordingly.

2.5 Unless otherwise agreed, Customer is solely responsible for use of the Goods and Services in accordance with all applicable local, state and federal laws pertaining to data privacy, security and transfer including but not limited to the General Data Protection Regulation (GDPR) and the California Consumer Privacy Act (CCPA). As such, Customer is solely responsible for maintaining the integrity of its own network and internal security.

2.6 Emerson will perform Services but only to the extent they do not violate any Laws and only to the extent Services can be performed safely and would not present a risk of harm to any Personnel. Emerson reserves the right to remove its Personnel if it deems Site unsafe.

3. Delivery

3.1 **Delivery and Performance Periods.**
Delivery and performance periods begin on Acknowledgment. All delivery periods and dates stated are approximate. Emerson will not be liable for any damages caused by its failure to deliver or perform on time.

3.2 **Delivery Terms.**
Unless the Contract says otherwise, Emerson will deliver the Goods, Documentation and Software from its, its Affiliate's or third party's factory or warehouse (the point of delivery), Carriage Paid To (CPT) the place of destination named in the Contract (Incoterms® latest version). Customer will pay for freight, packing and handling at Emerson's then current rates.

3.3 **Partial Shipments.**
Emerson may make partial shipments. Emerson may ship batteries separately from the rest of the Goods. Hard copies of Documentation may be shipped separately from the Goods.

3.4 **Storage.**
Emerson may place Goods, Documentation and Software into storage at a third-party warehouse chosen by Emerson, at Customer's expense if Customer, by its acts or omissions, delays their shipment. On placing Goods, Documentation and Software in the warehouse, delivery is complete and risk and title in Goods and Documentation passes to Customer. This Clause 3.4 does not apply to Goods, Documentation and Software which Emerson or its Affiliate exports from the United States.

4. Title & Risk

Even if the Contract says otherwise and except as stated in Clauses 3.4 and 5:

a) for any Goods and Documentation which Emerson or its Affiliate exports from the United States, title and risk of loss will pass to Customer when they pass the territorial limits of the United States.

b) for all other Goods and Documentation, title will pass to the Customer on delivery and risk of loss will pass to Customer under the Incoterms® rule stated in the Contract.

5. Documentation, Software, Firmware and Intellectual Property

5.1 Emerson and other owners will each keep all rights, interest and title in their respective Documentation, Software, and Firmware and all copies thereof.

5.2 Customer's use of Software and Firmware is governed exclusively by the Software License Agreement with Emerson (or its Affiliate) if there is one or, in any other case, by the license terms of the owner.

5.3 If Software or Firmware is not governed by a separate Software License Agreement, Customer is granted a non-exclusive, royalty-free license to use that:

a) Software only in conjunction with the Goods; and

b) Firmware in the Goods, only as incorporated in the Goods.

In both cases, the license applies only at the Site where the Goods are first used.

5.4 Customer may only copy Documentation (with its copyright notices unchanged) as needed to install, operate, re-calibrate, de-install, maintain and repair the Goods for its reasonable internal business purposes.

5.5 Unless the Contract says otherwise, Documentation will consist of one copy only of Emerson's, its Affiliates', or the manufacturer's standard documents in English. Emerson is only required to supply third party documents if authorized to do so by the third party. Emerson may choose to supply Documentation by hard copy, by CD-ROM or other suitable media, or by download from a website.

6. Compensation

6.1 **Prices/Rates.**
Unless the Contract says otherwise, the prices, Software license fees and rates:

a) are fixed for Goods, Documentation and Software licenses delivered and for Services performed within the period(s) stated in the Contract;

b) exclude all taxes (such as sales, use, value added and similar taxes), duties, levies and similar charges. Emerson will invoice all these taxes, duties, levies and charges as a separate line item on the invoice unless it has received an appropriate exemption from Customer;

c) exclude freight, packing and handling; and

d) exclude the storage, installation, start-up and maintenance of the Goods and Software.

6.2 **Payment Terms.**

   (ii) in the currency of Emerson's quotation; and

   (iii) full payment, or milestone payments in advance of shipment or within 30 days of the invoice date, subject to the approval of Emerson's credit department.

b) Unless the Contract says otherwise, Emerson will invoice:

   (i) Goods (including part shipments), Documentation and Software license fees: on delivery.

   (ii) Services upon completion.

   (iii) Storage costs under Clause 3.4: monthly in arrears.

c) Customer will pay Emerson by check or direct bank transfer to the Emerson bank account stated in the Contract or invoice, paid in either case from Customer's account with a bank in Customer's country. Emerson may reject payment by any other method.

d) Customer waives the right to dispute any invoiced amount unless Customer tells Emerson of the dispute (with detailed reasons) within 10 Days from the invoice date. All undisputed amounts are payable as set out in Clause 6.2(c).

e) Emerson may end the Contract or suspend performance (including withholding shipment and suspending performance of Services) if Customer fails or, in Emerson's reasonable opinion, appears likely to fail to make payment when due under the Contract or any other contract. This action will not subject Emerson to any penalty or affect its other rights.

f) Emerson may at any time demand such security for payment as Emerson may think reasonable, and Customer will provide the security within 10 Days after the request. This action will not affect any other right of Emerson.

g) Customer must pay all expenses (including attorneys' fees) incurred by Emerson in collecting late payments, up to the maximum amounts permitted by Law.

Where this Clause applies, Emerson will, at its sole option, either:
a) correct any non-conforming Documents and Services; or
b) repair or replace non-conforming Goods FCA (Incoterms® latest version) at the repair location; or
c) instead refund the price of the non-conforming item.

7.4 **Exclusions from Warranty.**
a) The warranties in Clause 7.1(b), (c) and (d) exclude and Customer will pay the cost of all repairs and replacements caused by any of the following: normal wear and use; inadequate maintenance; unsuitable power sources or environmental conditions; improper handling, storage, installation, or operation; misuse or accident caused by anybody except Emerson; a modification or repair not approved by Emerson in writing; materials or workmanship made, provided or specified by Customer; contamination; the use of unapproved parts, firmware or software; Cyber Attack; any other cause not the fault of Emerson.

c) If Emerson relies on wrong or incomplete information supplied by Customer, all warranties are void unless Emerson agrees otherwise in writing.
d) Customer alone is responsible for the selection, maintenance and use of the Goods.

e) Resale Products carry only the warranty given by the original manufacturer. Emerson has no liability for Resale Products beyond making a reasonable commercial effort to arrange procurement and shipping of the Resale Products.

7.5 **Disclaimer.** The limited warranties set out in this Clause 7 are the only warranties made by Emerson and can be changed only with Emerson's signed written agreement. THE WARRANTIES AND REMEDIES IN CLAUSE 7 ARE EXCLUSIVE. THERE ARE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, ABOUT MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR ANYTHING ELSE FOR ANY OF THE GOODS, DOCUMENTATION OR SERVICES.

b) A **Default Event** occurs if all the following conditions are met:
(i) Defaulting Party breaches a material duty under the Contract;
