

QuickShip Expedite

Stay on schedule and respond to the unexpected with fast, flexible shipment

When you need fast delivery of replacement parts or products, you need a supplier with reliable shipment capability to deliver quickly. With Emerson's QuickShip Expedite service, you can rely on trusted resources to get you what you need, when you need it.

QuickShip Expedite leverages Emerson's entire distribution network to generate on-demand fulfillment for fast delivery to give you the flexibility to stay on-schedule, reduce operational risk and respond to late and unexpected changes.

Working with QuickShip Expedite, you can get the DeltaV™ part you need at a price and lead time that meets all your budgeting and scheduling requirements.

QuickShip is a world-class fulfillment program that allows for fast shipment of parts and products to maximize speed and responsiveness. It leverages our global infrastructure, local presence and commitment to service to help you avoid downtime, stay on schedule, respond to the unexpected, and control costs in today's challenging environments.

Put Emerson's wealth of resources and expertise to work for you to resolve all your part and product shipping needs, no matter the circumstances.

Contact your local Emerson service provider for more information.

QUICKSHIP EXPEDITE

Sometimes project or production needs require getting a DeltaV™ Distributed Control System (DCS) or a DeltaV Safety Instrumented System (SIS) part on hand faster than standard lead-time. With Emerson's QuickShip Expedite service, Emerson will find the DeltaV part in the distribution center closest to you, and the part will be delivered to you within a few business days.
